RESPONSE TO RESTRICTION REQUIREMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In response to the Restriction Requirement mailed February 20, 2009, Applicants submit the following amendments and remarks.

Amendments to the Claims are reflected in the listing of claims on page 2 of this paper.

Remarks begin on page 7 of this paper.

Applicants elect Group I (claims 1-33, drawn to a powder delivery system comprising gelatine or collagen powder, a process of making said powder, and a method of using said delivery system) with traverse, as discussed herein.

Applicants elect thrombin as a species of coagulation factor in the genus of coagulation factors of claim 23. The election of species is made with traverse, as discussed herein.
